# SIMPLIFY YOUR LIGHTING

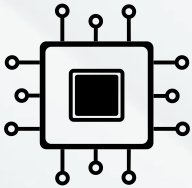

Lighting solutions delivered on time, every time.

## **Versatility Meets Selectability**

Optimizing your inventory and maximizing your return on investment is critical to business success. ALG's WATTselect and CCTselect technology can help you achieve these objectives. Our range of backlit panels is specifically designed to streamline inventory variety and enhance your profits.

## **Uniform Distribution**

Our panel lights are equipped with a frosted lens that facilitates uniform illumination, free of hot spots or shadowing.
